SAUGEEN-MAITLAND HALL
Move-In Day Routes for First-Year Students

INSTRUCTIONS:
Program your GPS or navigation app to take you to the closest intersection to the starting point, ‘Richmond Street and Windermere Road, London, Ontario’. Once your GPS or navigation app estimates you are close to the intersection, follow the remainder of these instructions to unload your belongings and move them in.

1 Approach Saugeen-Maitland Hall by driving west on Windermere Road. Turn right, down Collip Circle towards Western Research Park. This area will act as the vehicle marshalling area. Volunteers will walk students over to Saugeen-Maitland Hall to check in while guests continue on in the queue.

2 You will be directed to the unloading area in the Saugeen-Maitland Hall traffic circle when a space becomes available. To unload, park your vehicle along the right-hand side of the Saugeen traffic circle (do not park on the left-hand side) or in one of the indicated parking spaces.

3 Students will meet back up with the vehicle to unload. Carts will be provided for moving belongings to the holding area in the Main Lounge.

4 After unloading, move your vehicle immediately to the Springett Parking Lot. Please do not leave your vehicle unattended in the unloading zone for any length of time.

5 Once you have parked in long-term parking, walk back to Saugeen to move your belongings up to your room. Carts will be provided to help you move your belongings.

SCHEDULE:
