**The student's full name and student number is required in the reference section of the wire to finalize the transaction.** Your banking institution may direct your wire through multiple institutions, which may incur additional service charges. Fill out wire information completely; missing information could result in the wire being returned, thereby incurring time delays (which could jeopardize your residence accommodation) and further bank charges. **To ensure that we do not cancel your offer, please send us a copy of your wire confirmation receipt by your deadline date.** You may scan and e-mail the receipt to [housing@uwo.ca](mailto:housing@uwo.ca) or fax to 519-661-3687. PLEASE NOTE: This payment method is available only to International students without access to the Canadian banking system.

[NOTE: Please do not send payment via direct deposit to our account - we are not set up to receive these funds and this method of payment is very difficult to track.]
